*School District number appearing in parentheses indicates union high district(s) of which the elementary district is a component.
**A County School Fund levy is shown only for those counties that budgeted a separate levy for County School Fund. Other counties have either sufficient resources or a transfer from the General Fund which may or may not be property tax revenue.
***Under Oregon law, portions of certain school districts are exempt from school taxes, but not from the county levy, of which the County School Fund is a part. The amount shown in this column was actually computed against a larger valuation than that shown.
